Classical Extension Program

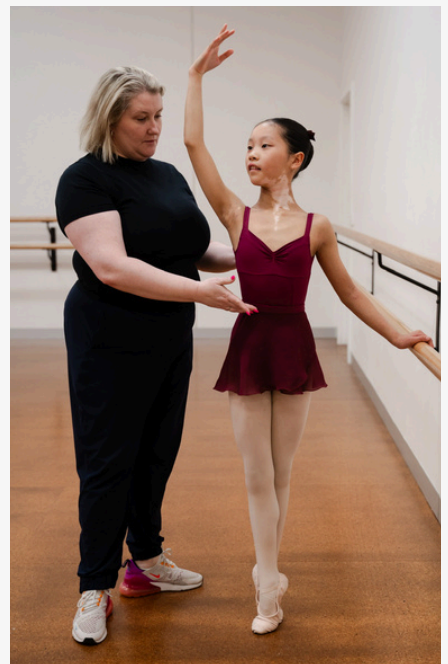

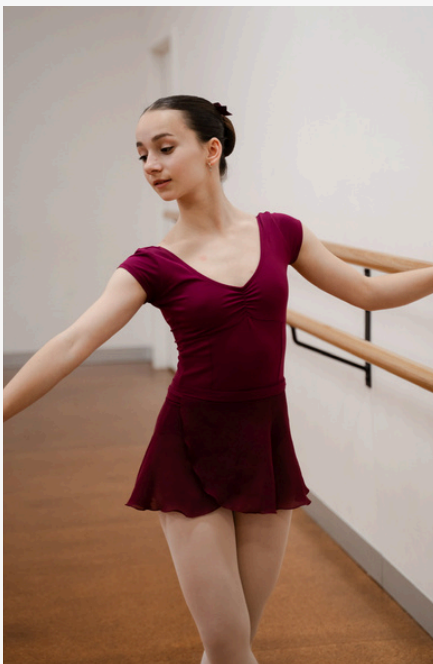

SSPA offers further classical ballet training with our Classical Extension Program (CEP).

Taught by Miss Tanya Singh, the Classical Extension Program is designed for aspiring students who have a keen interest in classical ballet. The program is ideal for those students who are passionate about ballet and want to increase their training and further develop the skills required for vocational dance. The class involves working on the technique of different methods of ballet as well as learning different variations to study and develop. It also helps to prepare students for any upcoming auditions such as the Ballet Teachers Workshops, State Youth Ballet, Australian Ballet ITP etc.

The benefits of the program are:

- Increased strength
- Accelerated technique
- Increased knowledge and understanding

Any student wishing to enrol in our Classical Extension Program must be enrolled in RAD Exam ballet classes.

Tanya Singh

Miss Tanya Singh is a registered Royal Academy of Dance teacher who will be working with our Exam students every week.

Miss Tanya has a passion for teaching and developing the love of dance. With over 23 years of experience in putting students through RAD exams, Miss Tanya also mentors for the RAD Classical ballet Teachers' Program (CBTS). She helps teachers with teaching skills, execution of work, and preparation for their final exam to gain their own registration as a RAD certified ballet teacher.

After studying Classical ballet at the prestigious Marie Walton Dance Academy in Newcastle, Miss Tanya successfully gained a scholarship at The London Studio Centre (England). She fell in love with Performing Arts and Musical Theatre, learning the arts of Contemporary, Hip Hop, Drama and Vocals.

Upon returning to Australia, Miss Tanya moved to country Victoria to start her teaching career, opening and running her own studio for 14 years before moving to Melbourne to freelance teach.

She adjudicates competitions such as ComDance, formally known as CSTD Festival, Phoenix Dance Festival, and the Victorian Performing Arts Challenge amongst many.

Miss Tanya is extremely passionate about teaching and is looking forward to sharing her knowledge and experience with the ballet students at Sally's School of Performing Arts.
